

Treat your Waste, Permanently  
Switch to **Excel Bioneer**

# Excel Bioneer

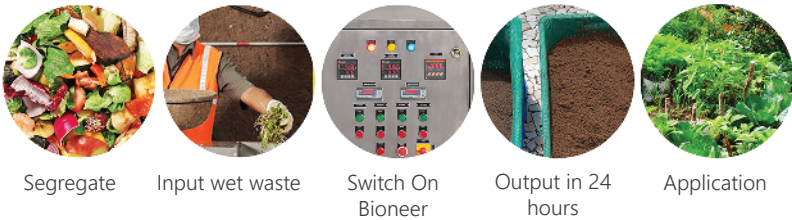

Excel Bioneer is an automatic waste converter system. Just fill it, shut it, forget it and in just 24 hours Bioneer treats your organic waste.

**The Excel Bioneer is an ideal solution**  
for bulk waste generators such as:

- Residential societies  
Hotels/Restaurants  
Educational Institutes  
Office Canteens
- Hospital Kitchen/Canteen  
Industrial Canteens  
Agriculture Markets  
Places of Worship

## Processing Steps

Fill it, shut it & forget it. Collect the output in 24 hours!
